Re: *Ex Parte* Presentation, Docket No. 13-54

Dear Ms. Dortch:

On August 13, 2013, I spoke by telephone with Michele Ellison, Chief of Staff to Chairwoman Clyburn, on behalf of Atlantic Tele-Network, Inc. and Allied Wireless Communications Corporation (collectively "ATN"). In that conversation, I urged the Commission to approve the proposed transaction within the 180-day shot clock. I explained that any delay would be harmful to ATN, as the pending but unconsummated acquisition causes uncertainty affecting ATN's customers, employees, and vendors. I further explained that delay would be especially harmful because it would complicate marketing for the crucial end-of-year holiday season—an undertaking that ordinarily must be coordinated many months in advance.

Please contact me if you have any questions regarding this presentation.

Sincerely,

/s/ Samuel L. Feder
